

# Chengwu electric air compressor rental price

How much does it cost to rent an air compressor?

The choice between renting and buying depends on a few factors such as size and type of business, and economics. Generally, of the two air compressor types available for hire, rental rates for portable models range from \$45-\$90/day or \$100-\$200/week. In contrast, a trailer-mounted compressor rental costs \$75-\$950/day or \$220-\$2,500/week.

Where can I rent an air compressor?

United Rentals carries a leading selection of air compressors for rent, designed to provide efficiency and productivity to jobsites. Our inventory includes both towable and diesel-powered units. Get these exclusive online rates by renting through our website or app. For our full list of air compressors for rent, view the items below.

When should you rent an air compressor?

Air compressors are rented by the day, week, or month. Rental rates increase with the size of the compressor, as well as the length of rental. Air compressors provide an added convenience to any job site. Choose a portable air compressor rental for short term projects or a towable unit for maximum power on longer jobs.

Does Sunbelt rent air compressors?

Sunbelt Rentals supplies a wide variety of heavy-duty air compressors for rent to meet your business needs. From supplemental and emergency air to pneumatic power, we engineer rental solutions for important air system demands. A complete line of large and small air compressor rentals to meet the demands of virtually any application.

What types of air compressors are available for rent?

Two types of air compressors are commonly available for rent. The smaller of the two is the portable air compressor--this size is just right for residential construction projects. For larger jobs, the powerful towable air compressor is the best choice.

How much does an air compressor cost?

For example, a 50hp reciprocating electrically powered air compressor costs around \$50/day or \$200/week. In comparison, if you want a larger 400hp rotary screw electrically powered compressor, you can rent one for around \$1,000/day or \$4,000/week. If you intend to use an air compressor, you also need various accessories.
