

Dth hammer price supplier in dominica

Are DTH hammers good for drilling?

Drilling Supply Store offers a wide range of DTH hammers suitable for a variety of drilling operations. Our Down the Hole hammers provide the most versatile and cost effective rock drilling method. DTH Hammers and tools are used for drilling holes through a wide range of rock types.

What is a DTH hammer used for?

DTH hammer is used for drilling holes through a wide range of rock types, the variety of which continues to extend well beyond the original conception of early blast hole drilling. Down-the-Hole refers to where the hammer action occurs when compared to drifter hammers, which hammer on top of the drill string.

Where are DTH hammers sold?

Our main products, including DTH hammers, DTH drill bits, drill pipes, top hammer, tricone bits etc., sell to 60+ countries and regions worldwide, and also largely stocked in our 5 branches, respectively in Brazil, Spain, Russia, Chile and South Africa. Our annual sales volume exceeds 80 million USD.

Why should you invest in Drill King's DTH hammers?

Cost-Effectiveness Investing in Drill King's DTH Hammers means investing in long-term savings. The durability and efficiency of our products translate to lower operational costs, reduced wear and tear, and extended product life, providing you with a cost-effective solution for your drilling operations.
