

Guigang excavator modified down-the-hole drilling rig

Versatile Excavator modified into down-the-hole drill Contact Now Model No: WGOK-300 Get Latest Price
Advanced Drilling And Splitting Machine with Safety Features Contact Now Model ...

Our remarkable product portfolio boasts cutting-edge oil and gas drilling rigs, water well drilling rigs, rock core drilling rigs, automotive drilling rigs, and deep well water pumps, all ...

China Rugged Excavator Modified For Deep Hole Drilling Manufacture, Visit Here to Find the Rugged Excavator Modified For Deep Hole Drilling That You are Searching for.

efficiency, especially suitable for hard rock formations and deep hole operations. 2. Versatility: Excavator-modified DTH rigs can be used not only for drilling but also for earthmoving, ...

The modified down-the-hole drilling rig is a new type of highly integrated down-the-hole drilling rig. The equipment adopts the power of the original excavat...

Product descriptions from the supplier Product Description Specification item value Suitable Excavator (ton) 15-20 Place of Origin China Shandong Warranty 1 Year Weight 850 Core ...

By mounting the down-the-hole drill on the excavator and utilizing its hydraulic system, the excavator is transformed into a crawler-mounted drill rig, ...

Excavator modified down-the-hole drilling rig excavator modified drilling rig slope drilling machine, You can get more details about Excavator modified down-the-hole drilling rig excavator ...

Excavator turns into a drilling rig in seconds to expand mechanical applications: Through simple modification, a conventional excavator can be converted into a DTH drilling rig ...

Digger drill is a special drilling equipment that combines the flexibility of an excavator with the drilling capability of a digger. This equipment enables efficient and accurate drilling operations ...

The modified hydraulic rock drilling machine, known as the excavator converted into a down-the-hole (DTH) drill rig, is a mature mechanical rock excavation ...

Guigang excavator modified down-the-hole drilling rig

Other attributes Warranty 1.5 years Weight (KG) 3000 Core Components Engine, motor, Pump Place of Origin Shandong, China Video outgoing-inspection Provided Machinery Test Report ...

Find excavator modified drill rig from wholesalers in China. Shop for mine drilling rig from Alibaba and enjoy favorable price points for ground excavators.

The Carter 320D excavator is converted into a down-the-hole drill, and the modular quick-change device is used to switch the operating mode within 10 minutes. Equipped with a Cummins ...

Provide users with ideal downhole solutions Excavator turns into a drilling rig in seconds to expand mechanical applications: Through simple modification, a conventional ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include auger and down-the-hole rigs. ...

Instead of investing in a separate drilling rig, companies can modify their existing excavators to perform drilling tasks, optimizing the use of available resources. 2. Enhanced Versatility: The ...

Promotion!! free shipping Excavator modified down-the-hole drilling rig foundation pit support hydraulic anchor drilling machine, You can get more details about Promotion!! free shipping ...

Down-the-Hole (DTH) drilling is a technique used to create deep, precise holes in hard rock and challenging ground conditions. In this method, ...

The output torque of the hydraulic power head is large, with strong drilling ability and a wide range of drilling rig applications. 5.The output speed of the power head is continuously variable, and ...

Excavator modified photovoltaic drilling rig: a new solution for efficient mining In modern mining and photovoltaic engineering construction, traditional equipment such as drilling rigs, drilling ...

Excavator modified drilling rig, one machine with multiple functions, efficient drilling, easy to deal with various complex terrains. It is a must-have for construction, mining, and water ...

Excavation-to-drilling rig refers to engineering equipment that transforms ordinary hydraulic excavators to enable them to have drilling capabilities. It is widely used in mining, foundation ...

Max. Torque 10000nm Place of Origin Shandong, China Warranty 1 Year Weight 1500 Core Components Bearing, Gear, Pump Video outgoing-inspection Provided Machinery Test Report ...

The excavator modification for DTH drilling offers the following features and advantages: 1. High Efficiency:

Guigang excavator modified down-the-hole drilling rig

Utilizing the excavator's power system, the modified DTH drilling equipment ...

Find excavator mounted rock drill from wholesalers in China. Shop for mine drilling rig from Alibaba and enjoy favorable price points for ground excavators.

The company offers a full range of drilling rig products, including water well drilling rigs, core - drilling rigs, truck - mounted drilling rigs, photovoltaic drilling rigs, down - the - hole drilling rigs, ...

The MR-5 ID is a hydraulic drilling unit for using 2? or 3? down-the-hole hammer, or rock drill weighing 58 kg with separate right and left rotation, provided with ...

By combining the strength of an excavator with the precision of a DTH drill, these modified machines offer a unique solution for a wide range of drilling applications.

Our current main products cover multiple categories such as excavators, bulldozers, drilling machinery, new energy photovoltaic pile drivers, rollers, loaders, cranes, forklifts, and tracked ...

Excavator Modified Down the Hole Drilling Rig, Excavator Modified Slope Support Drilling Rig, Reasonable Design, Easy Operation \$12,000/ Set|1 Set/Sets(Min. Order) Contact supplier ...

DTH drilling, also known as Down-the-Hole drilling, is a method used to drill boreholes into the earth's surface. This technique involves a hammer that is located behind the drill bit and is ...
